

We Put a Roof Over Fr. Joe!

Since the completion of the original Capital Campaign, our new fundraising strategy has been to create Capital Projects where we focus on one major project at a time.

Fall of 2023, a simple Rectory roof replacement (which monies had been allotted for) required the additional replacement of the soffit and gutter systems due to years of water damage and rot. Over the winter, we called on the St. Mary's community to help with the "Let's Put a Roof over Fr. Joe" Capital Project to allow us to complete the Rectory roof without incurring new debt for the parish. Thank you to everyone who gave so generously to this Capital Project.
